A Word from Sid

I have found that healing and faith are mysteries for most Christians. Although there are many books on those subjects, they still remain perplexing.

I started my own research over 40 years ago. The best I found was when I did my own study of the entire Bible. First, I listed all faith and healing scriptures. Then, I trimmed my long list. Next, I personalized the remaining scriptures. Finally, I started meditating on them.

This eBook contains my personal list of healing scriptures. As you meditate on these promises, they drop from your head to your heart. This is when you change from mental assent to belief. When this happens, you tap into a supernatural portal called the Kingdom of Heaven.

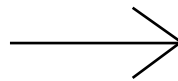

As you meditate on this list of scriptures, faith and healing will no longer be a mystery!

How to Meditate On Scripture

“**Meditate**” in the Hebrew language means “to speak or mutter.” Therefore, the Jewish way to meditate is to mumble out loud the Words of God.

When meditating on Scripture, I do the following (examples found in the box to the right):

1) *Personalize the verse.*

Psalm 91:1 [Personalizing]

“He who dwells...” [Unpersonalized]

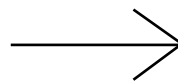

becomes

“I dwell...” [Personalized]

2) *Visualize yourself doing what the verse says.*

3) *Speak the verse out loud.*

4) *Add descriptive wording.*

Psalm 91:1 [Descriptive Wording]

“I dwell, [I actually breathe and live inhaling the rarefied air of heaven] in the secret place of the Most High...”

How to Meditate On Scripture

You must not just be meditating without experiential knowledge of Jesus otherwise it is just religious. To obtain experiential knowledge of God you must believe He sent Jesus to die for your sins and confess Him out loud as your Lord and Savior and ask Him to live in you.

You receive deeper experiential knowledge by reading the Bible daily, praying in tongues daily and living a life of praise and worship by being constantly aware that the Messiah is living **in** you, loves you and is guiding you. Enjoy His presence 24/7.

Experience more of Him each day. Really make Him Lord. Then it will dawn on you that **you are totally whole in Him!**

attentively considered his own body permanently dead, he
being about one hundred years old, also the deadness of
Sarah's womb. Moreover, in view of the **promise** of God, he did
